

401 K Plan Financing

Our 401k Financing offers a powerful and flexible way for new or existing businesses and franchises to leverage assets that are currently in a 401 K plan or IRA. In as little as 3 weeks you can invest a portion of your retirement funds in your business, giving you more control over the performance of your retirement plan assets and the working capital you need for business growth.

401k financing offers a safe, proven plan based on long-standing provisions of the Internal Revenue Service. You can be approved for financing as much as 200% of what is in your 401k. And, there is no penalty for withdrawal.
